

Rosie Barker

Grimsby, UK | [linkedin.com/in/rosie-barker](https://www.linkedin.com/in/rosie-barker) | rosiebarker.github.io/portfolio

PROFESSIONAL SUMMARY

Digital and Technology Solutions graduate with experience in fast-paced working environments. Experienced in learning and using workplace systems including Sage, Klaviyo, CLARISOFT and Microsoft Office. Seeking an entry-level or junior IT role where I can continue developing technical skills, learn from experienced colleagues, and take on new systems and responsibilities.

PROFESSIONAL EXPERIENCE

NPD Assistant – Hilton Seafood

November 2025 – Present

- Raise and manage purchase orders using Sage.
- Maintain high standards of cleanliness, hygiene and food safety.
- Assist development chefs with food preparation and tasting set-ups.
- Arrange courier collections for product samples.

Email Marketing – Get Personal

September 2023 – October 2025

- Created and managed email campaigns using Klaviyo.
- Built customer segments, lists and automated marketing flows.
- Analysed campaign performance (open rates, click-through rates).
- Managed multiple tasks independently while meeting deadlines.

Label Room Supervisor – UMIOS (Northcoast Seafoods)

September 2016 – September 2023

- Supervised daily label room operations in a production environment.
- Used CLARISOFT to input and manage product date coding.
- Created production labels using BarTender.
- Maintained accurate labelling and traceability records.
- Supported stock rotation and production workflow efficiency.
- Worked closely with production teams in a high-pressure environment.

Sales Assistant – Home Bargains

May 2015 – August 2016

- Delivered customer service and supported checkout operations.
- Assisted customers with queries and product location.
- Worked effectively as part of a team in a busy retail setting.

EDUCATION

BSc (Hons) Digital & Technology Solutions – Grade 2:1

University of Grimsby

- Built responsive websites using HTML and CSS.
- Designed relational databases using SQL Server Management Studio and Microsoft Access.
- Applied systems analysis techniques to develop technical solutions.
- Configured virtual machines and explored server-side programming.
- Studied cybersecurity and networking fundamentals.

TECHNICAL SKILLS

Microsoft Office | CLARISOFT | Sage | Klaviyo | BarTender | HTML | CSS | SQL | Active Directory | GitHub
| VirtualBox
